

(사)한국축산식품학회 2025년 제57차 국제 정기학술대회

- 주제: 인구구조 변화에 따른 축산식품의 혁신과 미래
(Future Innovations of Animal Food Science to Navigate Demographic Change)
- 일시: 2025년 5월 22일(목) - 24일(토)
- 장소: 대전컨벤션센터(DCC) 1 전시관
- 사전등록 및 초록제출 : 2025년 4월 25일까지 <https://www.kosfameeting.org/> 에서 진행

□ 프로그램

May 22 (Thursday), 2025			
Time	Room (201)		
10:00-12:00	Workshop		
12:00-13:30	Registration		
13:30-13:50	Opening Ceremony		
13:50-14:30	Special Session: Policies on Animal Source Foods in Response to Demographic Change		
14:30-16:00	Plenary Session 1: Customized Meat Processing for Various Age Groups		
16:00-16:30	Poster session / coffee break		
16:30-18:00	Plenary Session 2: Dairy Processing Innovations Addressing Demographic Shifts		
18:00-20:00	Award Ceremony / Welcome reception		
May 23 (Friday), 2025			
Time	Room(301)	Room(204,205)	Room(206,207,208)
09:00-10:20	Oral Competition on Meat Processing	Oral Competition on Dairy Processing	Young Scientist
10:20-10:40	Poster session / coffee break		
10:40-12:40	Keynote Session 1: Age-Specific Meat Processing for Enhanced Digestibility	Keynote Session 2: Microbiome-Based Dairy Processing Technology for Life Stage-Specific Needs	Special Issue
12:40-14:00	Lunch		

14:00-15:15	General Session 1: Eco-Friendly Upcycling Meat Processing Technology	General Session 2: Dairy Processing for Functional Benefits in Healthy Aging	Industry Session by Korea Food Research Institute: Technology for a Low-Carbon Cold Chain in the Food Industry
15:15-15:30	Poster session / coffee break		
15:30-17:30	General Session 3: Future Protein Technologies for Sustainability	General Session 4: Precision Fermentation for High-Value Dairy Product Innovation	Industry Session by National Institute of Animal Science: High-Tech for Customized Animal Resources Production and Processing Technology
17:30-18:00	Awards & Closing Ceremony		
May 24 (Saturday), 2025			
09:00-12:00	Round Table Discussion & Technical tour		
12:00-12:10	Closing		

- 각 세션별 Speaker는 홈페이지(www.kosfameeting.org)를 통해 확인하실 수 있습니다.
